Delft, The Netherlands, March 1-2-3, 2006

DUT Aula Congress Centre

The International Workshop on Applied Reconfigurable Computing (ARC 2006) will take place at the **Aula Congress Centre** of the Delft University of Technology (DUT). The Aula Congress Centre is a modern building with a unique profile. It has 7 rooms varying in size from 12 to 1200 seats as well as open spaces suitable for exhibition of posters and coffee/tea breaks. In addition there are 4 lecture halls. The Aula Congress Centre is located relatively close to the old city (10 to 15 minutes walking distance). It is easily accessible both by public transport and by personal cars.

Address:

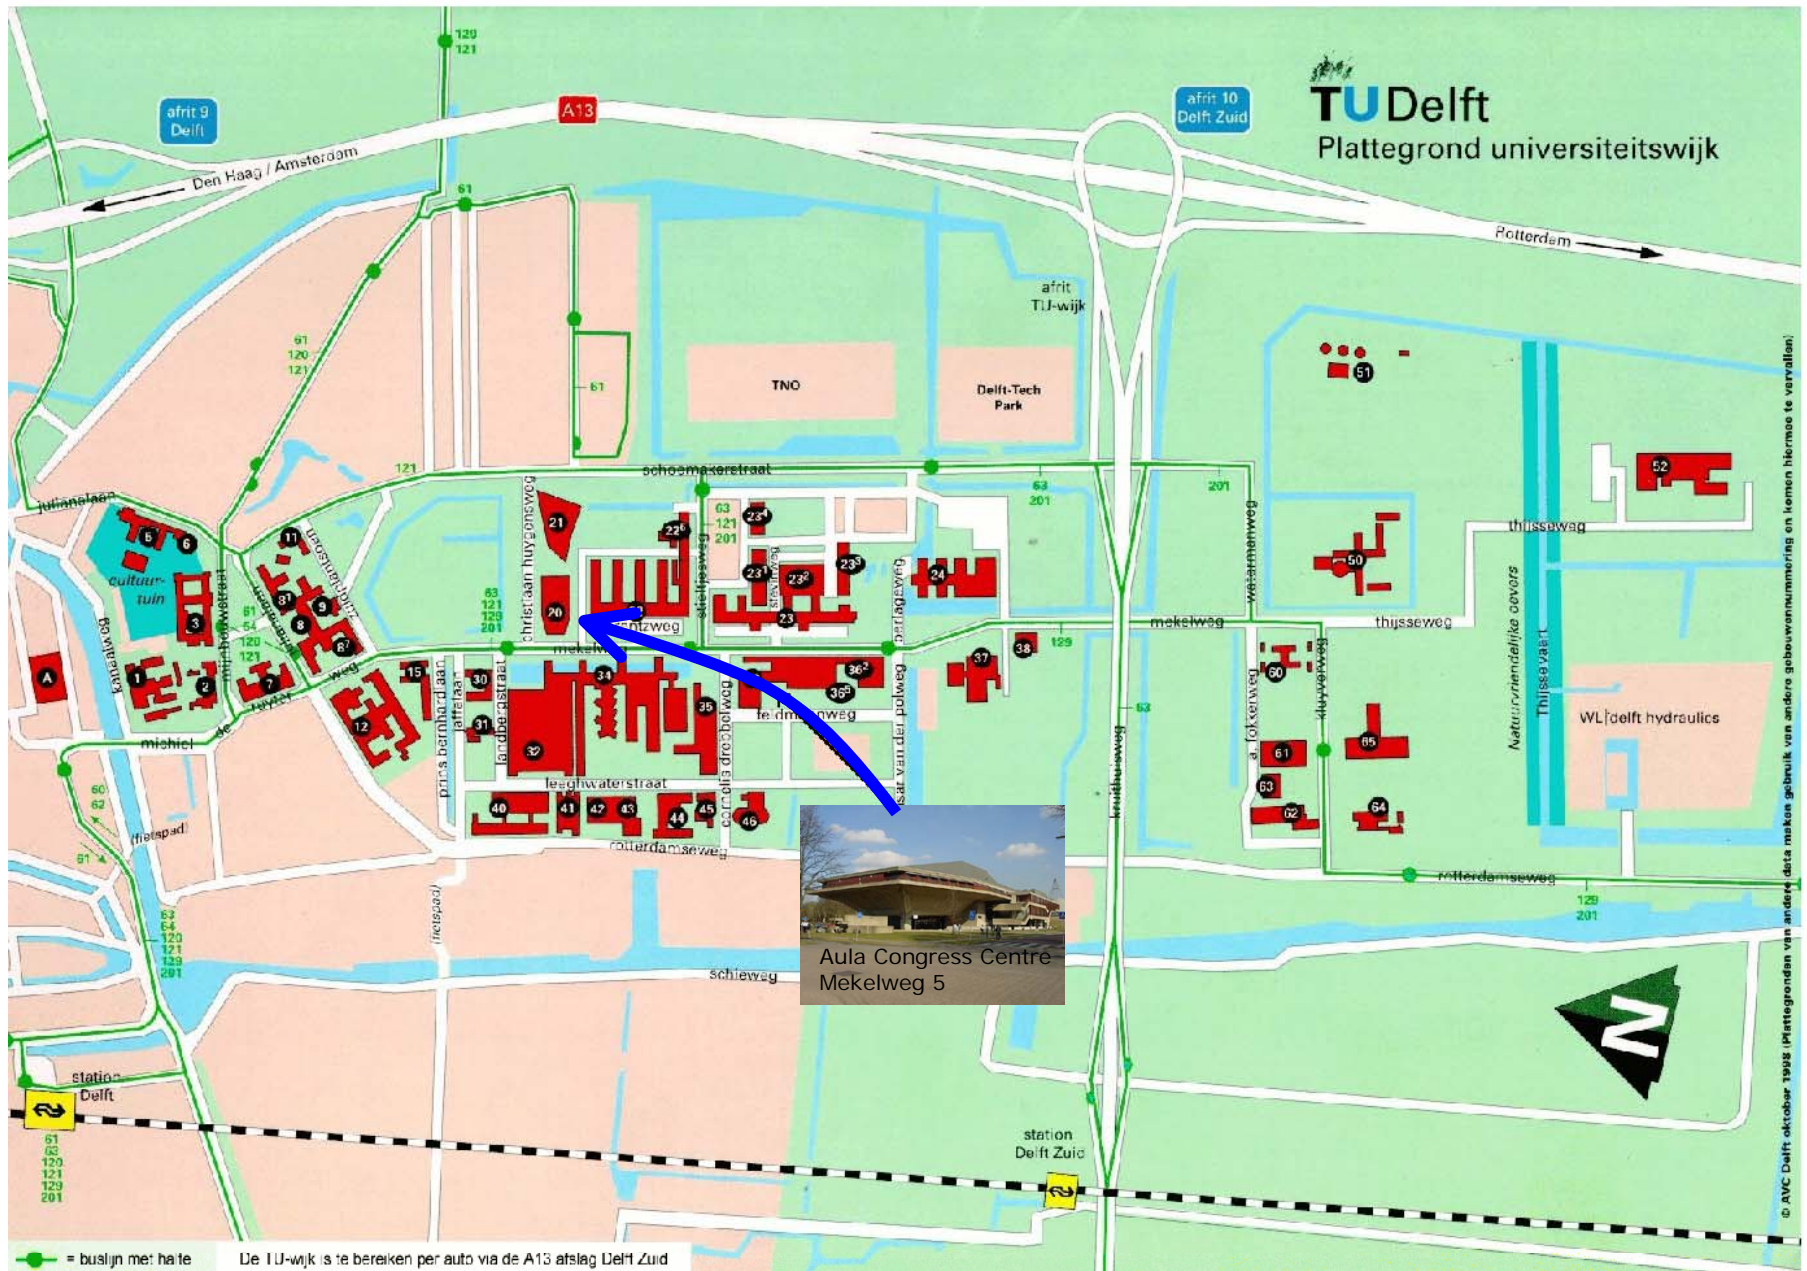

Aula Congrescentrum
Mekelweg 5
2628 CC Delft

By public transport:

By train from Schiphol Int'l Airport, Rotterdam, Dordrecht, Amsterdam, The Hague to Central railway station Delft
From Central railway station Delft take local bus 63 and regional busses 120, 121, 129.
Get off at bus stop "Aula".

By car:

From Den Haag/Rotterdam (A13), take exit Delft Zuid (TU-Wijk), take 1st street to the right, "Schoemakerstraat", take 3rd street to the left, "Chr. Huygensweg", follow "Aula en Bibliotheek".
You arrive at Mekelweg 5
